

OFFICE OF THE STATE CONTROLLER
STATE MANDATED COSTS CLAIMING INSTRUCTIONS NO. 2010-18
THREATS AGAINST PEACE OFFICERS
COMMUNITY COLLEGE DISTRICTS

REVISED JULY 1, 2013

In accordance with Government Code (GC) sections 17560 and 17561, eligible claimants may submit claims to the State Controller's Office (SCO) for reimbursement of costs incurred for state-mandated cost programs. This document contains claiming instructions and forms that eligible claimants must use for filing claims for the Threats Against Peace Officers program. The Parameters and Guidelines (P's & G's) are included as an integral part of the claiming instructions.

Chapter 1249, Statutes of 1992, added Penal Code (PC) Section 832.9. This statute requires community college district's employing peace officers to reimburse the officer or any member of his or her immediate family for actual and necessary moving and relocation expenses incurred when it is necessary to move because the officer has received a threat that a life threatening action may be taken against the officer or his or her immediate family as a result of the peace officer's employment. Chapter 666, Statutes of 1995, amended PC Section 832.9, by specifying guidelines for reimbursement.

On April 24, 1997, the Commission on State Mandates (CSM) adopted a Statement of Decision finding that the test claim legislation imposes a reimbursable state-mandated program on CCD within the meaning of article XIII B, section 6 of the California Constitution and GC section 17514.

Exception

There will be no reimbursement for any period in which the Legislature has suspended the operation of a mandate pursuant to state law.

Eligible Claimants

Any community college district as defined in Government Code section 17519, which incurs increased costs as a result of this mandate, is eligible to claim for reimbursement. Block grant recipients are not eligible to claim for reimbursement.

Reimbursement Claim Deadline

Claims for the **2012-13** fiscal year may be filed by **February 18, 2014**, without a late penalty. **Claims filed more than one year after the filing date will not be accepted.**

Penalty

- **Initial Claims**

When filed within one year of the initial filing deadline, claims are assessed a late penalty of 10% of the total amount of the initial claim without limitation pursuant to GC section 17561, subdivision (d)(3).

- **Annual Reimbursement Claim**

When filed within one year of the annual filing deadline, claims are assessed a late penalty of 10% of the claim amount; \$10,000 maximum penalty, pursuant to GC section 17568.

Minimum Claim Cost

GC Section 17564, subdivision (a), provides that no claim may be filed pursuant to Sections 17551 and 17561, unless such a claim exceeds one thousand dollars (**\$1,000**).

Reimbursement of Claims

To be eligible for mandated cost reimbursement for any fiscal year, only actual costs may be claimed. These costs must be traceable and supported by source documents that show the validity of such costs, when they were incurred, and their relationship to the reimbursable activities. A source document is created at or near the same time the actual cost was incurred for the event or activity in question. Source documents may include, but are not limited to, employee time records or time logs, sign-in sheets, invoices, and receipts.

Evidence corroborating the source documents may include, but is not limited to, worksheets, cost allocation reports (system generated), purchase orders, contracts, agendas, training packets, and declarations. Declarations must include a certification or declaration stating: "I certify (or declare) under penalty of perjury under the laws of the State of California that the foregoing is true and correct," and must further comply with the requirements of Code of Civil Procedure section 2015.5.

Evidence corroborating the source documents may include data relevant to the reimbursable activities otherwise in compliance with local, state, and federal government requirements. However, these documents cannot be substituted for source documents.

Audit of Costs

All claims submitted to the SCO are subject to review to determine if costs are related to the mandate, are reasonable and not excessive, and if the claim was prepared in accordance with the SCO's claiming instructions and the P's & G's adopted by the CSM. If any adjustments are made to a claim, the claimant will be notified of the amount adjusted, and the reason for the adjustment.

On-site audits will be conducted by the SCO as deemed necessary. Pursuant to GC section 17558.5, subdivision (a), a reimbursement claim for actual costs filed by a claimant is subject to audit by the SCO no later than three years after the date the actual reimbursement claim was filed or last amended, whichever is later. However, if no funds were appropriated or no payment was

made to a claimant for the program for the fiscal year for which the claim was filed, the time for the SCO to initiate an audit will commence to run from the date of initial payment of the claim.

All documents used to support the reimbursable activities must be retained during the period subject to audit. If an audit has been initiated by the SCO during the period subject to audit, the retention period is extended until the ultimate resolution of any audit findings. Supporting documents must be made available to the SCO on request.

Record Retention

All documentation to support actual costs claimed must be retained for a period of three years after the date the claim was filed or last amended, whichever is later. If no funds were appropriated or no payment was made at the time the claim was filed, the time for the Controller to initiate an audit will be from the date of initial payment of the claim. Therefore, all documentation to support actual costs claimed must be retained for the same period, and must be made available to the SCO on request.

Claim Submission

Submit a signed original Form FAM-27 and one copy with required documents. **Please sign the Form FAM-27 in blue ink and attach the copy to the top of the claim package.**

(d) When an appointment does not meet the criteria in (a) and (b) the appointing power may, at his/her discretion, determine in advance that it is in the best interest of the State to reimburse all or part of the actual reasonable and necessary relocation expenses provided in this article as an incentive to recruit employees to positions that are designated by the appointing power as difficult to fill or because of outstanding qualifications of the appointee, or due to unusual and unavoidable hardship to the employee by reason of the change of residence.

(1) Relocations that meet these criteria shall be reimbursed only for the items in this article specifically authorized by the appointing power and may be subject to further limitations designated by the appointing power.

(2) Upon determination that any reimbursement will be made, the appointing power shall:

(A) Determine which provisions will apply to the relocation and establish any additional limitations to those provisions such as dollar limits, weight limits or time limits.

In no event shall the lease settlement include any costs, deposits or fees.

Any additional expense associated with an interstate or inter-country move shall be approved in advance by the appointing power. No reimbursement will be allowed for the hiring of casual labor.

(a) When the employee retains a commercial mover, reimbursement for actual and necessary expenses incurred by a commercial mover under this article for the packing, insurance, one pickup, transportation, storage-in-transit (not including warehouse handling charges except when required by interstate tariffs), one delivery, unpacking, and installation at the new location of an employee's household effects shall be allowed subject to the following:

(d) All claims for the reimbursement of the movement of household goods require receipts. Failure to furnish lodging receipts will limit reimbursement to meals only in accordance with the published Government meal and incidental rates for foreign travel. Long-term out-of-country travel will be reimbursed according to Section 599.619(a) through (c).

(e) Exceptions to reimburse in excess of the maximum lodging rate cited in (a) of this rule may be granted by the Appointing Power only in an emergency, or when there is no lodging available at the State maximum rate or when it is cost effective. The Appointing Power shall document the reasons for each exception and shall keep this documentation on file for three calendar years from the date of the exception.

Section 599.631 Transportation by Automobile - Excluded Employees

(a) Where the employee is authorized to use a privately owned automobile on official state business the reimbursement rate shall be 34 cents per mile. Claims for reimbursement for private vehicle expenses must include the vehicle license number and the name of each state officer, employee or board, commission or authority member transported on the trip. No reimbursement of transportation expense shall be allowed any passenger in any vehicle operated by another state officer, employee or member.

(1) Expenses arising from travel between home and headquarters or garage shall not be allowed, except as provided in 599.626(d)(2) or 599.626.1(c), regardless of the employee's normal mode of transportation.

- (2) When a trip is commenced or terminated at a claimant's home on a regularly scheduled work day, the distance traveled shall be computed from either his/her residence or headquarters, whichever shall result in the lesser distance except as provided in 599.626.1(c).
- (3) However, if the employee commences or terminates travel on a regularly scheduled day off, mileage may be computed from his/her residence.
- (b) Where the employee's use of a privately owned automobile is authorized for travel to or from a common carrier terminal, and the automobile is not parked at the terminal during the period of travel, the employee may claim double the number of miles between the terminal and the employee's headquarters or residence, whichever is less, at a rate as defined in Section 599.631(a), while the employee occupies the automobile for the distance between the terminal and his/her residence or headquarters. If the employee commences or terminates travel one hour before or after his/her regularly scheduled work day, or on a regularly scheduled day off, mileage may be computed from his/her residence.
- (c) All ferry, bridge, or toll road charges will be allowed with any required receipts.
- (d) All necessary parking charges while on state business will be allowed, with any required receipts, for:
- (1) Day parking on trips away from the headquarters office and excluded employee's primary residence.
 - (2) Overnight public parking on trips away from the headquarters and excluded employee's primary residence, except that parking shall not be claimed if expense-free overnight parking is available.
 - (3) Day parking adjacent to either a headquarters office, a temporary job site or training site, but only if the excluded employee had other reimbursable private or state automobile expenses for the same day. An employee may not prorate weekly or monthly parking fees.
- (e) Gasoline, maintenance and automobile repair expenses will not be allowed.
- (f) The mileage reimbursement rates include the cost of maintaining liability insurance at the minimum amount prescribed by a law and collision insurance sufficient to cover the reasonable value of the automobile, less a deductible. When a privately owned automobile operated by state officer, agent or excluded employee is damaged by collision or is otherwise accidentally damaged, reimbursement for repair or the deductible to a maximum of \$500.00 will be allowed if:
- (1) The damage occurred while the automobile was used on official state business by permission or authorization of the employing agency; and
 - (2) The automobile was damaged through no fault of the state officer, agent or excluded employee; and
 - (3) The amount claimed is an actual loss to the state officer, agent or excluded employee, and is not recoverable directly from or through the insurance coverage of any party involved in the accident; and
 - (4) The loss claimed does not result from a decision of a state officer, agent or excluded employee not to maintain collision coverage; and
 - (5) The claim is processed in accordance with the procedures prescribed by the Department of Personnel Administration.
- (g) Specialized Vehicles. An employee with a physical disability who must operate a motor vehicle on official state business and who can operate only specially equipped or modified vehicles may claim a rate of 34 cents per mile without certification and up to 37 cents per mile with certification. Where travel is authorized to and from a common carrier terminal, as specified in Section

599.631(b) the employee may compute the mileage as defined in Section 599.631(b). Supervisors approving these claims must determine the employee's need for the use of such vehicles.

AUTHORIZED RELOCATION EXPENSES

Per Diem - Employees may claim up to 60 days while at the new location until a new permanent residence is found. Specific per diem allowances for excluded employee are listed below. Extensions of the per diem may be granted by the Department of Personnel Administration if the employee suffers unusual hardship. Requests for extensions must be submitted to the Relocation Liaison, on a Std. 256 prior to the expiration of the 60 day period. The Relocation Liaison will review the Std. 256 for completeness then forward to the Department of Personnel Administration.

Shipment of Household Goods - The State will pay for the packing, transportation, insurance, storage-in transit, unpacking and installation of employee's household effects. The employer will issue the relocating employee a "Moving Service Authorization" which the employee will give to any licensed mover. The Moving Service Authorization authorizes the mover to bill the State directly. There is no actual dollar limitation (the State only pays minimum tariff rates); however, there is an 11,000 pound weight limit. If the mover estimates the weight of the household goods to be more than 11,000 pounds, the employee should immediately submit a Std. 256 with the mover's estimate to the Relocation Liaison. The Department of Personnel Administration may approve excess weight provided the employee requests the exception in advance of the actual move.

The State will not pay for the shipment of the following items:

Automobiles, other motor vehicles, farm tractors, implements and equipment trailers with or without other property, boats, all animals, livestock, or pets belongings which are not the property of the immediate family of the officer or employee, belongings related to commercial enterprises engaged in by the officer or employee, firewood, fuel, bricks, sand, ceramic wall tile, wire fence, or other building materials, wastepaper, and rags.

Storage in Transit - The State will pay for the storage of household goods for up to 60 days. Storage is limited to 11,000 pounds of household goods unless the excess weight has been previously approved by DPA. The storage company should bill the State directly using the authorization of the Moving Service Authorization. Miscellaneous items taken out of storage prior to the moving company delivering all household goods is not reimbursable and must be paid by the employee.

Sale of Residence - The State will pay for certain costs associated with the sale of the employee's dwelling which was his/her residence at the time of notification of the transfer.

Reimbursable costs are:

Brokerage commission, escrow fees, title insurance, prepayment penalties, local taxes, charges or fees required to consummate the sale. Miscellaneous sellers cost up to \$200.00.

Non-reimbursable Costs are:

Seller's points, property tax, repair work, and re-inspection fees.

Excluded employees have two years from the reporting date at the new headquarters to submit a claim for reimbursement of seller's costs. There is no extension of the time limit for Non-represented employees.

Settlement of a Lease - The State will pay for the settlement of a lease which was entered into prior to notification of the transfer. Claims for payment of the lease settlement must be submitted within 9 months from the reporting date at the new headquarters.

Movement of a Trailer Coach - The State will pay for the actual cost of transporting the mobile home to the new location plus up to \$2,500 for disassembly and assembly of the trailer. Request for reimbursement in excess of \$2,500 must be submitted to DPA on a Std. 256 prior to the move; approval will only be given for the lowest of three bids. Household goods must be shipped in the mobile home unless DPA approves a separate shipment.

Miscellaneous - There is a \$200.00 miscellaneous allowance with documentation and certification, which is intended to assist the employee in establishing the new household. This allowance should be used to pay utility installation fees, appliance hook-up fees and the like. It is appropriate to use this allowance for cable hook-up. This allowance may not be used to satisfy deposit requirements. The allowance may not be claimed if moving a mobile home; hook-up, etc., are included in the mobile home set-up charge.

Mileage - The employee may be reimbursed 24 cents per mile for one vehicle to make one-way trip between the old residence and the new residence effective January 1, 2013. Anything over locating cents is considered taxable income.

Private car mileage for the purpose of locating housing at the new location is not reimbursable.

EXPENSES INCURRED PRIOR TO THE OFFICIAL TRANSFER CANNOT BE CLAIMED.

Amendment to Parameters and Guidelines

Penal Code Section 832.9

Statutes 1992, Chapter 1249

Statutes 1995, Chapter 666

Threats Against Peace Officers

05-PGA-44 (96-365-02)

This amendment is effective beginning with claims filed for the July 1, 2005 through June 30, 2006 period of reimbursement.

I. Summary of the Mandate Source

Statutes 1992, chapter 1249 added Penal Code section 832.9. This statute requires governmental entities employing peace officers to reimburse the officer, or any member of his or her family for actual and necessary moving and relocation expenses incurred when it is necessary to move because the officer has received a threat that a life threatening action may be taken against the officer or his or her immediate family as a result of the peace officer's employment.

Statutes 1995, chapter 666 amended Penal Code section 832.9, by specifying guidelines for reimbursement.

II. Commission on State Mandates Decision

On April 24, 1997, the Commission determined that the requirements of Penal Code section 832.9, as added by Statutes 1992, chapter 1249, and amended by Statutes 1995, chapter 666 imposed upon local governments, a new program or higher level of service, within the meaning of section 6, article XIII B of the California Constitution and section 17514 of the Government Code.

III. Eligible Claimants

Eligible claimants include any local governmental entity employing peace officers, as defined in Penal Code section 830. Local governmental entities include "local agencies" as defined in Government Code section 17518, and "school districts" as defined in Government Code section 17519.

IV. Period of Reimbursement

This amendment is effective beginning with claims filed for the July 1, 2005 through June 30, 2006 period of reimbursement.

Section 17557 of the Government Code states that a test claim must be submitted on or before December 31 following a given fiscal year to establish eligibility for that fiscal year. The test claim for this state mandated program was filed on December 30, 1996, establishing eligibility for Fiscal Year 1995-96, commencing

July 1, 1995. However, both test claim statutes were *not* in effect on July 1, 1995. Therefore, reimbursement claims may be filed as follows:

Actual and necessary costs incurred pursuant to Statutes 1992, chapter 1249, are reimbursable after July 1, 1995.

Actual and necessary costs incurred pursuant to Statutes 1995, chapter 666, are reimbursable after January 1, 1996.

Actual and necessary costs for one fiscal year should be included in each claim. Estimated costs for the subsequent fiscal year may be included on the same claim, if applicable. Pursuant to section 17561, subdivision (d)(3) of the Government Code, all claims for reimbursement of initial year's costs shall be submitted within 120 days of release of claiming instructions by the State Controller.

If the total costs for a given fiscal year do not exceed \$200, no reimbursement shall be allowed, except as otherwise allowed by Government Code section 17564.

V. Reimbursable Costs

To be eligible for mandated cost reimbursement for any fiscal year, only actual costs may be claimed. Actual costs are those costs actually incurred to implement the mandated activities. Actual costs must be traceable and supported by source documents that show the validity of such costs, when they were incurred, and their relationship to the reimbursable activities. A source document is a document created at or near the same time the actual cost was incurred for the event or activity in question. Source documents may include, but are not limited to, employee time records or time logs, sign-in sheets, invoices, and receipts.

Evidence corroborating the source documents may include, but is not limited to, worksheets, cost allocation reports (system generated), purchase orders, contracts, agendas, training packets, and declarations. Declarations must include a certification or declaration stating, "I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct based upon personal knowledge." Evidence corroborating the source documents may include data relevant to the reimbursable activities otherwise in compliance with local, state, and federal government requirements. However, corroborating documents cannot be substituted for source documents.

The claimant is only allowed to claim and be reimbursed for increased costs for reimbursable activities identified below. Increased cost is limited to the cost of an activity that the claimant is required to incur as a result of the mandate.

A. Scope of Mandate

Eligible claimants shall be reimbursed for the costs incurred to reimburse peace officers or any member of their immediate family for actual and necessary moving and relocation expenses when it is necessary to move because the officer has received a credible threat that a life threatening action may be taken against

the officer or his or her immediate family as a result of the peace officer's employment.

B. Reimbursable Activities

For the following state mandated activities, costs incurred by a local governmental entity for the direct and indirect costs of labor, supplies, services, and reimbursement payments made to a peace officer or member of his or her immediate family, residing with the peace officer, are reimbursable:

1. From July 1, 1995 through December 31, 1995
 - a. Review and approve claims for actual and necessary moving and relocation expenses incurred when it is necessary to move because the officer has received a threat that a life threatening action may be taken against the officer or his or her immediate family as a result of the peace officer's employment. Costs incurred both before and after the change of residence, including costs of moving household effects either by a commercial household goods carrier or by the employee, are reimbursable.
 - b. Payment of the approved reimbursement to the peace officer or member of his or her immediate family residing with the officer for actual and necessary moving and relocation expenses.
2. From January 1, 1996 through Present
 - a. Receive notification of a "credible threat." (Pen. Code, § 832.9, subds. (b)(5) & (c).)
 - b. Approve relocation plans and if necessary, verify residency of immediate family member. (Pen. Code, § 832.9, subds. (a), (b)(3), & (d).)
 - c. Review and approve claims for actual and necessary moving and relocation expenses incurred when it is necessary to move because the officer has received a threat that a life threatening action may be taken against the officer or his or her immediate family as a result of the peace officer's employment. Costs incurred both before and after the change of residence, including costs of moving household effects either by a commercial household goods carrier or by the employee, are reimbursable. Approval of "actual and necessary relocation costs" is subject to the limitations set forth in Penal Code section 832.9, as amended by Statutes 1995, chapter 666.
 - d. Payment of the approved reimbursement to the peace officer or member of his or her immediate family for actual and necessary moving and relocation expenses.

C. Non-Reimbursable Costs

1. Litigation expenses “allowable as costs” and “not allowable as costs” pursuant to section 1033.5 of the Code of Civil Procedure, are not reimbursable if incurred by claimants and/or local law enforcement agencies responding to and/or defending claims or actions brought under Penal Code section 832.9.
2. After January 1, 1996, the following costs are not reimbursable:
 - a. Moving costs that are *not* included in the Department of Personnel Administration rules governing promotional relocations. (Pen. Code, § 832.9, subd. (1).)
 - b. Loss or decrease in value to a peace officer’s residence due to a forced sale. (Pen. Code, § 832.9, subd. (b)(2).)
 - c. Costs incurred by a peace officer or member of their immediate family without prior approval of the appointing authority. (Pen. Code, § 832.9, subd. (b)(3).)
 - d. Unauthorized payment of peace officers’ salaries while moving. (Pen. Code, § 832.9, subd. (b)(4).)
 - e. Temporary relocation housing which exceeds 60 days. (Pen. Code, § 832.9, subd. (b)(6).)
 - f. Relocation costs incurred 120 days after the original notification of a viable threat if the peace officer has failed to relocate. (Pen. Code, § 832.9, subd. (b)(7).)

VI. Claim Preparation and Submission

Each claim for reimbursement pursuant to this mandate must be timely filed and provide documentation in support of the reimbursement claimed for this mandate.

A. Reporting by Components

Claimed costs must be allocated according to the components of reimbursable activity described in Section V.B.

B. Supporting Documentation

Claimed costs should be supported by the following information:

1. Salaries and Benefits

Claimed reimbursement for employee costs should be supported by name, position, hourly productive rate, hours worked, fringe benefits amount, and a brief description of assigned unit and function relative to the mandate.

2. Services and Supplies

The claimant should identify all direct costs for materials, services and supplies which have been purchased, leased, consumed or expended for purposes of compliance with the mandate.

3. Reimbursements to Peace Officer or Member of His or Her Immediate Family for Actual and Necessary Moving and Relocation Expenses
 - a. Show the dates when the claimant received notification of the threat, when moving and relocation expenses were incurred, and when the officer or member of his or her immediate family was reimbursed.
 - b. Submit with the claim, a copy of the contract, invoices, and receipts for the cost of moving and relocation. Identify the independent contractor or employee who provided services for moving and relocation.
 - c. If confidentiality is involved to protect the officer's relocation, mark out sensitive areas of the contract, invoices, and receipts.
4. Allowable Overhead Costs

Government Code section 17564, subdivision (b), provides that claims for indirect costs shall be filed in the manner prescribed by the State Controller's Office.

VII. Records Retention

Pursuant to Government Code section 17558.5, subdivision (a), a reimbursement claim for actual costs filed by a local agency or school district pursuant to this chapter¹ is subject to the initiation of an audit by the Controller no later than three years after the date that the actual reimbursement claim is filed or last amended, whichever is later. However, if no funds are appropriated or no payment is made to a claimant for the program for the fiscal year for which the claim is filed, the time for the Controller to initiate an audit shall commence to run from the date of initial payment of the claim. In any case, an audit shall be completed not later than two years after the date that the audit is commenced. All documents used to support the reimbursable activities, as described in Section V, must be retained during the period subject to audit. If the Controller has initiated an audit during the period subject to audit, the retention period is extended until the ultimate resolution of any audit findings.

VIII. Offsetting Savings and Other Reimbursement

Any offsetting savings the claimant experiences as a direct result of this statute must be deducted from the costs claimed. In addition, reimbursement for this mandate received from any source, e.g., service fees collected, federal funds, other state funds, etc. shall be identified and deducted from this claim.

IX. Required Certification

¹ This refers to Title 2, division 4, part 7, chapter 4 of the Government Code.

An authorized representative of the claimant will be required to provide a certification of the claim, as specified in the State Controller's claiming instructions, for those costs mandated by the state contained therein.
